ARTURO
Italian Café

Our concept was born from a genuine love and passion for the authentic old world Italian delicatessens. With that in mind, our fresh, made to order sandwiches have been created with only the finest Italian meats, cheese and fixins and served on fresh bread baked daily in our store. You can even try them toasted for a real treat.

To ensure only the freshest product possible, you'll find our staff up bright and early baking our breakfast muffins, cookies and bread as well as preparing our fresh pasta and chicken entrees.

You won't find us on every street corner or see our ad in every newspaper. We are not a corporate chain. But you will find us in our little store on Canal Street with a friendly smile, helpful and courteous service and just plain delicious food.

And by the way, give us a try once or twice and we'll likely know your name.

"Buon Appetito"
